Please stand for the Pledge of Allegiance. "I pledge allegiance..."

Good morning everyone! Today's verse is Ephesians 2:19, "So then you are no longer strangers and foreigners, but you are fellow citizens with the saints, and of the household of God." When you walk into a house where you have never been before, it takes some time to get used to the new surroundings. You are usually very careful not to knock anything over or do anything that would offend the house owner. However, when you walk into your own house, where your family has lived for many years, you can be very comfortable with your surroundings. You can kick off your shoes and relax! In this verse, we read that we are no longer strangers and foreigners, but we are fellow citizens with God's people and members of His household. Not only do we have full access to God's house, but it is also our house. It is a safe place where He wants us to be comfortable and relaxed. It is a place where we can feel like we truly belong! We are not strangers looking through a window on the outside, but we are heirs with Jesus, having full run of God's house. And that's a good thing!
